EXTRAORDINARY GENERAL MEETING

Leatherhead AHEAD will be holding an Extraordinary General Meeting on Wednesday, 4 March 2009 at 7.30 p.m. in the Reeves Room of The Parish Church Hall, Leatherhead.

The committee has decided that as the new Leatherhead Residents' Association now has a substantial membership, and is successfully representing the residents of Leatherhead, Leatherhead AHEAD has served its purpose and should be wound up. We very much appreciate everyone's support over the last seven years.

The committee members are, and will continue to be, members of their respective Residents' Associations. We therefore ask all our supporters to also join their respective Residents' Association, so that together we can continue doing all we can for Leatherhead.

As the majority of Leatherhead AHEAD supporters come from Leatherhead, the committee proposes that the monies remaining in the bank account (less than £70) should be donated to the Leatherhead Residents' Association.

All Leatherhead AHEAD supporters are cordially invited to attend the EGM.

Please advise the Chairman (details above) if you wish to attend, as space in the Reeves Room is limited. Please note that the Reeves Room is not suitable for wheelchair users.

Andy Cole
Secretary
